Beloved brothers and sisters;

I thank God for this new opportunity that I have to write, while always praying for you so that the protective mantle of our Topoderoso God is upon you.

New Material

- When and in what time celebrating the Lord's Supper - Saturday night or Sunday?
- Acts 20: 7 - Jewish Time or Roman?

During the last weeks of April and May we have been studying with a group of brothers in the

coffee belt the material mentioned in the previous paragraph. In the report of April I had told you about the influence of Messianic Judaism among many of our brothers and also how some already being seen accepting some of its proposals, including what to do with the celebration of the Lord's Supper on Saturday night, and already some local churches are feeling attracted to this change in the order as established by the Holy Spirit. And we have benefited in studying these topics, I am convinced it will be of much help to my brothers elsewhere.

The material is now available on my website:

Also in the report of April I shared information about this material I have been preparing for studies at home. The group of more than 10 brothers who are attending these classes (on Fridays) are quite encouraged by the lessons that have been presented. And certain brethren elsewhere have been writing asking me the material.

All lessons that have been presented are available on my web portal– <http://www.elancladelevangelio.org/new/index.php/apocalipsis/1896-desbloqueando-el-misterio-del-apocalipsis> — Total lessons are 26 so far are 11. As I will develop each other, I will go up to my web site so they

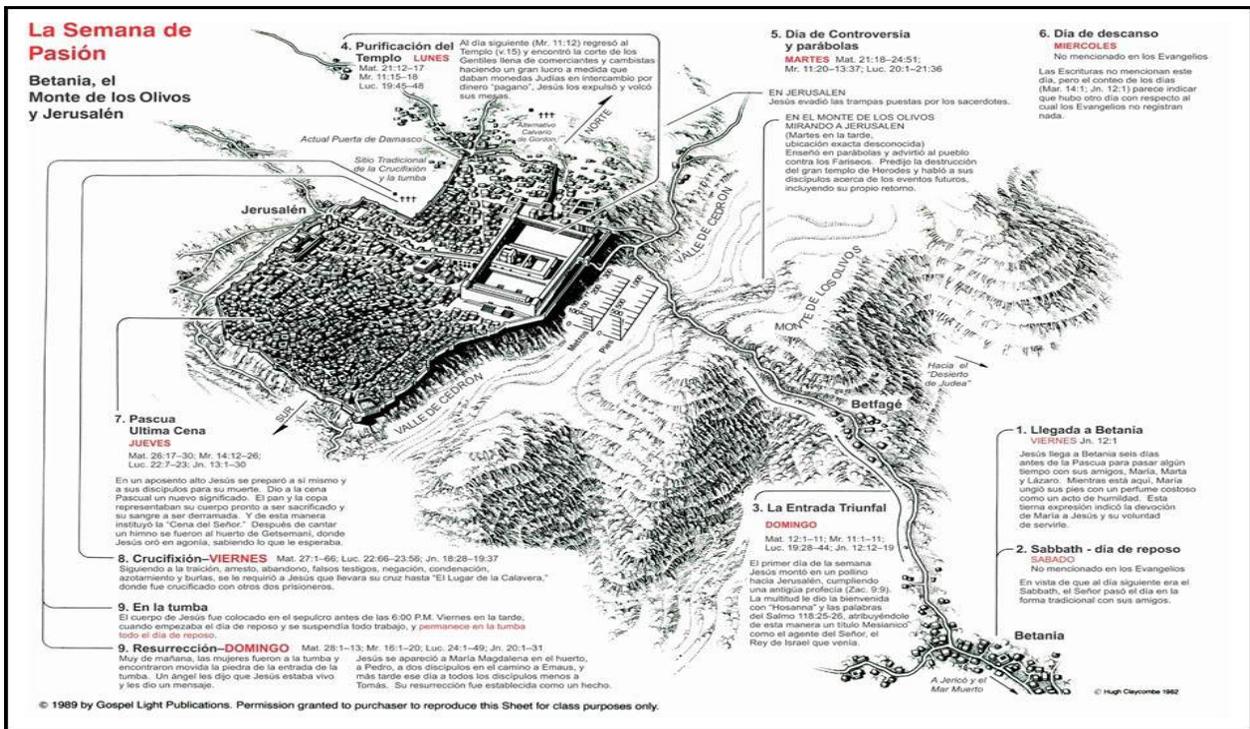

can be downloaded. The material is in PDF format and Power Point.

The week that changed the world

During the last month we have begun to have a number of lessons in the church on the last week of the life of our Lord Jesus Christ - The theme of this series is “The Week That transformed the World”, and have been based text **John 12:1** – “Then Jesus six days before the passover came to Bethany, where Lazarus was which had been dead, whom he raised from the dead.”.

It was very uplifting and encouraging for the

church in general the study of this series, and I hope that as soon as I finished it will be available in my website also for the use of my brothers elsewhere.

Lectures on Leadership in the Church of God - A Look at the New Testament model.

From June 1 to 4 we had these conferences in the city of Manizales with brother Matt Allan, Jason Schofield from the Church of Christ in Kettering (OH), and brother Carl Anderson MacMurray ((IN).

We had a conference attendance in the morning and afternoon of about 20 brothers most of them preachers of Bogota, Cali, Cumbal (Nariño), Villavicencio, Santa Rosa, Neira, Chinchina, Manizales.

On 6 and 7 we met with the church of Christ in the city of Cali.

From 8 to 11, we moved to the city of Barranquilla (on the north coast of Colombia), to give the same conference to several of the preachers and brothers in this part of the country. They came from Sahagun, Lorica, Valledupar, and Barranquilla.

Group of brothers at the Lectures in Barranquilla

On the 11th in the evening we met with the church of Christ in the city of Cartagena.

It was the first time we had a conference of this type (to my knowledge). The unanimous voice of all who were able to attend these conferences has been a total pleasure, because I think it's the first time we have studied in order to start preparing to form the church leaders (elders, along with the deacons), and we hope that in a few years you can start to bear the fruits of these con-

ferences, that the churches in Colombia can begin to have their eldership established according to the Biblical pattern.

I want to express my thanks to the elders of the Church of Christ in Kettering (OH), George Wacks, Rich Walker and Russ Robins for their interest and willingness to help on this project since last year and finally was made in this month of June. Thanks to brother Matt Allan (preacher in Kettering), Jason Schofield (deacon in Kettering), and brother Carl MacMurray (elder and preacher in Anderson, IN), for their collaboration. Their lessons and the answers to our concerns has been invaluable for our edification, God bless you.

I can not leave out either Emily Allan (brother Matt daughter), and also Leigha Favor Anderson (IN), who also joined us in these conferences and tour through the country, and of course my daughter Natalia, who accompanied us and served as interpreter in classes for children and youth integration in the various congregations where we were.

Una Mirada al Modelo del Nuevo Testamento

The material of these lectures is now available on my website for those who wish to download and use for personal study and in the congregation where they are members. Leadership in the Church of God - A Look at the pattern of the New Testament — <http://www.elancladelevangelio.org/new/index.php/iglesia/1895-liderazgo-en-la-iglesia-de-dios> (from yesterday that have been available in my web site have been download 93 times).

June 13 and 14 we were in Bogotá. We had the opportunity to preach at Christ Church at 80 Street, and also in the Church of Christ in the Rincon de Suba. On the 15th, they returned to the US.

On the 16th I had the opportunity to preach in one of the newly established churches in Bogota by brother Henry and David Jerez Church. They are a small group but admirable zeal for the things of the Lord. God bless this new congregation.

Camp Parent & Child

From 26 to June 29 will be in Cali for this camp with brother Wayne Galloway & Phyllis from Stanford (KY). I will be traveling with my daughter Natalia June 25 will serve as both interpreters in these conferences.

In my next report I will share the details of these conferences.

Preparations To Mexico

Since I'm already making preparations for my trip to Mexico in August. I will be mainly in the southern part of Mexico (Chiapas), Guatemala border, preaching for two weeks. Brothers Elver Espinosa is in charge of the organization of the places to visit during the month of August.

Mi daughter Natalia & FC

15 and June 16 my daughter Natalia had his series of interviews at the US Embassy to obtain a student visa to enter the Florida College in August. The goodness of God allowed that everything went well with the expected results.

Again, thanks to all those who have been involved in this project with my daughter Natalia, a huge embrace for all your love and support, and in this dream. God bless you.

Well brothers, I have to go pack our bags to leave for Cali.

Thank you for your prayers and support with this servant, your brother in Christ, Jaime R.
