Brothers and sisters in Christ

Once again I am writing to you to share my work in the Lord. First of all, thanking God and praying for you so that you are well and growing in the grace of our Lord Jesus Christ.

Camp Parent & Child – Cali.

Jaime Restrepo & Wayne Galloway

Carlos Julio Ramirez

From 26 to June 29 we were in Cali for this camp organized by our brother Carlos Julio Ramirez. Brother Wayne Galloway and his wife Phyllips from Stanford (KY) were with us. Wayne's brother is a preacher in Christ Church in Fort Logan (KY), and was the speaker during the three

days of the camp.

We had the assistance of brothers from Bogota, Ibague, Palmira, Manizales, Buenaventura and of course the city of Cali. They were 3 days of nourishing the word of God with great issues of parenting and the parent-child relationship.

To all who participated in the camp, congratulations on your unselfish interest and collaboration so that everyone could enjoy the lectures by our brother Wayne. It has always been a great pleasure to work alongside this servant of God, and especially to serve as his translator at times it has been necessary. I can say that we were all enriched his exposition of the Word of God on this issue of Parent & Child. God bless you brother Wayne, and his wife Phyllips by your company and also be a partner in such projects.

2 Baptisms

With the collaboration of Brother Oscar Andrés Arias, we visited several brothers in the town of Anserma (Caldas). We had initially gone to study with 2 Jehovah's Witnesses, with whom we studied for about 1½ hours. After our study with them we met María Nelly Londoño Hernán Antonio Taborda, who were in the farm of the brother Medardo that is member at the local church in Anserma.

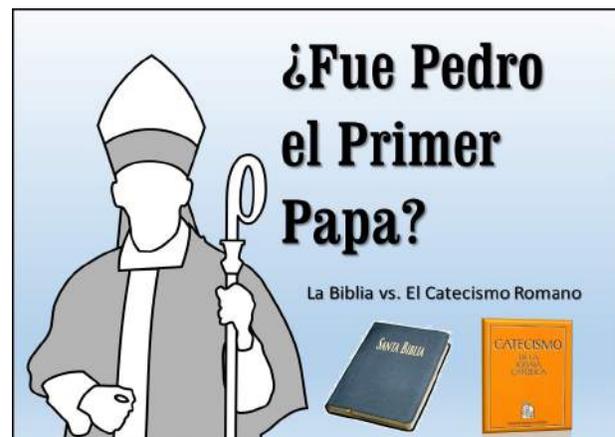

As usual, a chat with members of the Jehovah's Witnesses do not always end well, due to brainwashing that have already received from the Faithful and Discreet Slave and its literature. But how pleased he was to participate in obedience to God's command by these two souls, they were baptized for the forgiveness of their sins.

God bless these two new souls added to the kingdom of our Lord Jesus Christ.

It Was Peter the Firsts Pope?

With the help of Brother Oscar Andres, we have prepared video on the subject, which is now available on youtube (<https://www.youtube.com/watch?v=g33zqNwtYhU&feature=youtu.be>), and also in my web site (<http://www.elancladelevangelio.org/new/index.php/estu->

[dios-videos/1900-fue-pedro-el-primer-papa](#)).

This is a 16-minute video and hopefully I can help my brothers on this topic.

Hymns

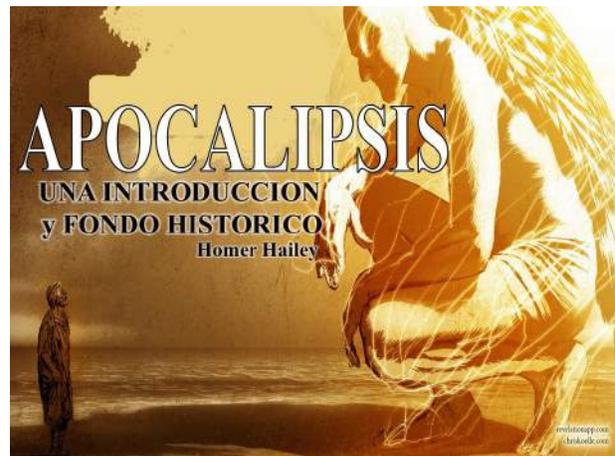

My daughter Natalia has worked in recent days to record some songs from the hymnbook “Songs of the Way”. So far he has already recorded three songs with melody to 4 voices. It was a surprise to me when she invited me to hear the work she had been doing during these last days, not knowing what she was doing. I was so surprised at what she had done that I wanted to put it on my website. I invite those interested to visit this link on my website: <http://elancladelevangelio.org/new/index.php/himnos/1902-cantos-del-camino>.

Revelation – New Material

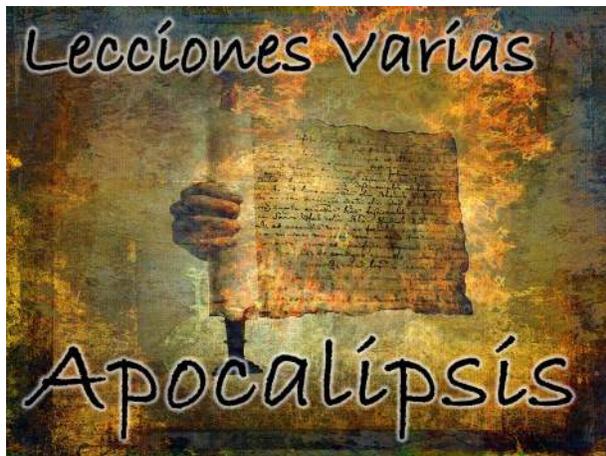

For those passionate about the study of this book in the New Testament, I have placed new material about it in my website. Thanks to all who have written to me giving thanks for the material - “Unlocking the Mystery of the Apocalypse”. Already they have been able to account those who have visited my website that the material is in PDF and PowerPoint ready for use in personal study and in the local church.

The new material of Revelation also is available on my website covers:

1. **Introduction and Historical Background.** This material is the comment of brothre Hailey Homey brother (deceased), *Revelation: An Introduction and Commentary*. I had translated this material a couple of years ago, and is now available to my brothers. (<http://www.elancladelevangelio.org/new/index.php/apocalipsis/1899-apocalipsis-introduccion-y-fondo-historico>).

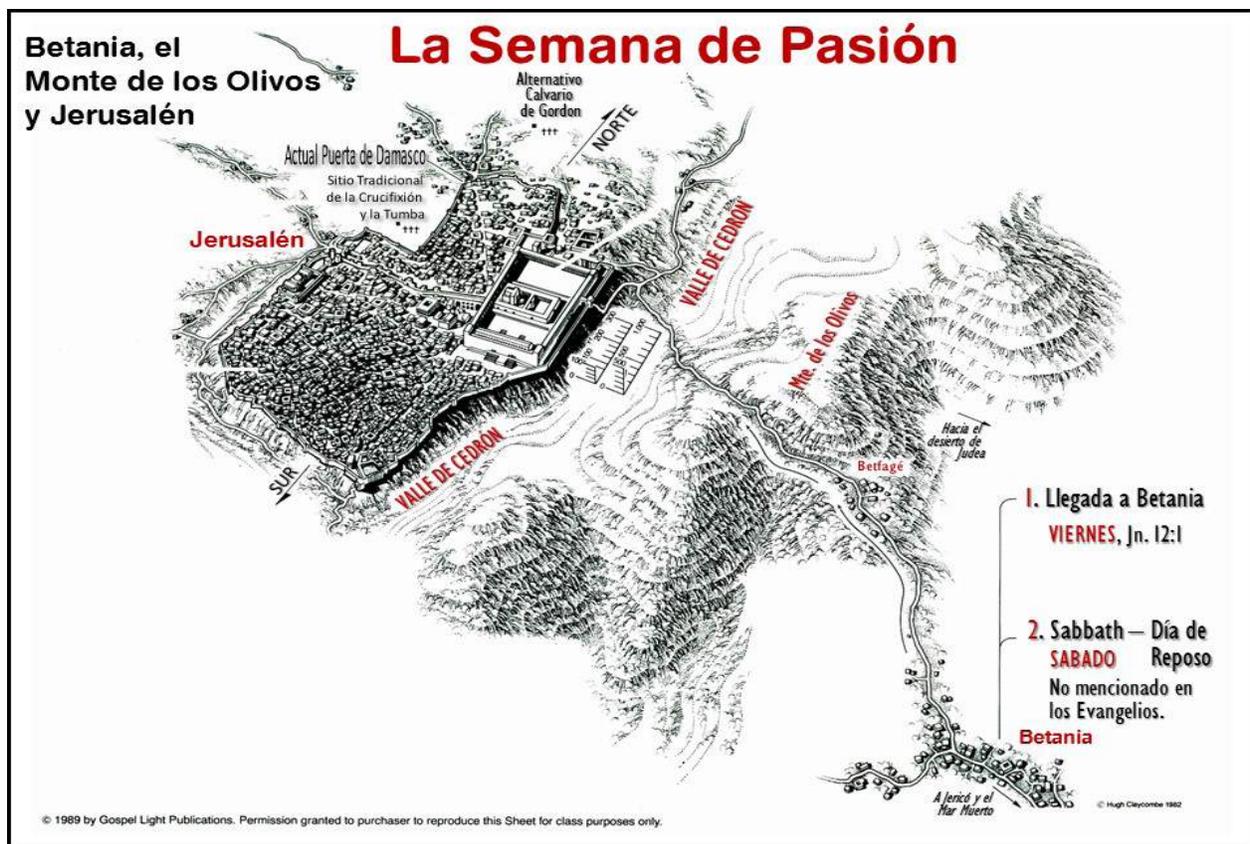

2. **Several lessons about the apocalypse.** So far there are 8 lessons, and the purpose of this material is to cover several aspects of the book spontaneously, without following an established order. They are lessons that I have prepared for several years and I have been very useful in my growth and understanding of this NT this book, I hope that will be useful for you too. (<http://www.elancladelevangelio.org/new/index.php/apocalipsis/1898-lecciones-varias-apocalipsis-jr>).

The Week That Changed the World

Continuing with this series of lessons that I am presenting in the church on Wednesday. Has been very nice to hear the words of encouragement on the part of my brothers and sisters to continue with the exposure of what happened during this week which it is transcendental in the history of mankind, because as the title says, it is the week that transformed the world, to you and to me.

I hope, as God permits me as soon as this is completed the entire series, making it available to my brothers on my website. So patience. So far the lessons have covered their arrival Bethany (Jn. 12: 1) on Friday, her break the Sabbath, and his triumphal entry into Jerusalem (Jn. 12: 12-15) on Sunday, with all events involved in each of those days.

Trip to México

I am making final adjustments to my preaching trip to Mexico from August 17 to 31 this month. Specifically I will be in Tuxtla Gutierrez (Chiapas) and surroundings for 2 weeks. Brother Elver Espinosa has been organizing everything on my visit, if any of you like to contact him, his email is: elverespinosa807@hotmail.com

Manizales

The work in Manizales continues with the help of a good group of brothers, thanks to them and their dedication to the kingdom of our Lord. We hope to restart our outlets soon preaching in the streets and door to door. To those that we have been visiting us, thank you very much.

To all of you who read this monthly report, thank you for your words of encouragement and support. There are many commitments that I have to visit many places, both inside and outside the country. I hope that with time and my duties permit, to meet all those who hope my visit and cooperation in their local churches, just ask you to be patient with me.

Thanks for your help and support in the kingdom of our Lord.

Your brother and servant in Christ, Jaime Restrepo M.
