Remembered and cherished brothers and sisters in Christ;

I am pleased to be able to communicate again with you through this medium, while grateful to God for the opportunity it gives me to share my work in the Lord, while praying for His hand of blessing and protection be with you all.

Letter from Spain

It has been a very pleasant surprise and receive the following email that I share:

Dear Brother in the Lord, I've been visiting your channel of Youtube watching your sermons and conferences, I've also been reading their texts on your website. Sincerely from many years ago that I have not read so excellent a material and a few videos so educational.

My name is Pedro Sanchez Teba, I'm from Alcala de Guadaira (Seville, Spain), I give the Lord when I was 16, now I have 50, but I have many years without attending any church. I unfortunately found little Christ in many denominations and much about the leader of such churches. Honestly when I hear you I feel and see a true servant of the Lord, and I ask the Lord to bless and give you many years of health in the ministry of the word.

I would ask you to pray for my brother, a vile sinner who needs to find a herd where the pastor really go in search of the lost, of the broken and not, as has been my experience that put to criticize and condemn it as sinful.

Brother I pray for you and your congregation, shame that we are so far as it would be a great honor to meet you. May God bless you and grow in wisdom his ministry, Peter carefully Teba.

I have already written in response to this message, and also contacted my brothers in Spain, I ask that you remember him in your prayers, because the work is of God.

Contact with ex-Mormon

These days I received a short message Calderín Maria Ramirez, who has been visiting my website. In her mail she tells me:

Greetings, has a very nice web page, I love the gospel.

I was Mormon x 20 years, and I left them, I carried outside 15 years, my problem is that now I see the churches as garbage, and I have not been able to enter any more, I pray, I read the Bible, I want to know the Lord.

I have already written to Mary asking her to study on the early Church, a material that is on my website (<http://www.elancladelevangelio.org/new/index.php/iglesia/1781-la-iglesia-primitiva-fj>), and also putting me at her disposal for any concerns she may have. I invite you my brothers to have her also in your prayers, that God may allow that she find the truth of Christ is looking for.

The week that changed the world

In my last two reports I have shared on this subject. For over two months I was teaching a series of lessons about at the local church in Manizales, and the result was a book of 73 pages in which I try to cover chronologically much of the events that occurred in the week of the passion of our Lord Jesus Christ.

Given the constant argument between various denominations in that the crucifixion of our Lord took place not on Friday, but for some it was Wednesday and Thursday for others, I wanted to prepare and make this chronological study to understand clearly the events and chronology of the passion Week, presented the chronological evidence of the Gospels that the crucifixion of our Lord was on Friday, culminating in His resurrection on the first day of the week

(Sunday).

The material is already in PDF and PowerPoint format, and best of all, available on my website for download, this is the link for all concerned:

Manizales

We went ahead with the work in this city, we have been blessed with a 5 visitors during the last month, particularly a couple who have been visiting us from Bogota. They are members of the Baptist church, but by the providence of God, have been meeting with us, and very happy with the studies we've had.

Saturday classes continue with our music and praise to our God, some of us learn music reading to improve our singing to the Almighty.

Our Daughter Natalia

My wife (Celina) and I are living what is called "The Empty Nest Syndrome" brothers how hard thing is this, but our daughter is happy in this new stage of her life. The same day I am traveling to Mexico, she will be beginning her career in the Florida College. Thanks to all who have written giving us words of encouragement. God bless you.

Again, thanks for your help and support in the kingdom of our Lord.

Your brother and fellowsoldier of Jesus Christ, Jaime Restrepo M.
