### **Bible Series in Cali**

As I had mentioned in my previous report (October), had scheduled a biblical series in the city of Cali from 18 to 22 November, which, in effect, God enabled me to perform. The theme of the series was “My Way”. In this series discussed how as the man, leaving it to God to one side, has decided to do things his own way in matters such as marriage, parenting, the worship of God, the work, and recreation. Was very pleased to be able to present this series, and at the same time to receive from my brothers the gratitude for the presentation of these topics in this series.

- **Radio Program**

The Church of Christ that meets in El Popular neighborhood in the city of Cali, has a radio program which airs Monday to Friday by Sonora 1,500 to the 9:30 AM. You can also listen in [www.redsonoraam.com](http://www.redsonoraam.com) - During the days that I was in Cali along with brother Carlos July I had the opportunity to preach the gospel to this medium.

- **Calima –Darién**

Miguel & Edilma

Calima-Darién is a population that is more than an hour from the city of Cali. Thanks to the radio program, the Church in Cali was contacted by a married couple (Michael & Edilma), and brother Carlos Julio Ramirez (evangelist of the Church in Cali), began to visit the, which culminated with a few months after that with their conversion. I had the opportunity to be in this population along with brother Carlos July, the day November 20 (Friday). In the company of brother Miguel, we were handing out biblical literature and at the same time inviting people to a casual conversation in one of the schools of the town, with the option to make biblical questions, they were invited at 7 p.m.

We were attended by nearly 30 people. After a small study and introduction of 30 minutes, we gave the opportunity for attendees to make questions regarding biblical concerns they had. It was 1 hour and 30 minutes of questions and answers. We take the data from each of the participants, and at the same time were engaged in return for a similar meeting in which they themselves have to invite relatives and acquaintances. It was a great night, thank God.

### **Baptism in Manizales**

We have had the blessing of a baptism in the church in Manizales. One of the visitors that we had been accompanying took the decision to be baptized for the forgiveness of his sins. Daniel Gonzalo Ramos, having been a member in different denominations in the city, after 3 weeks of joining us in our worship services, and to understand what God required for the forgiveness of his sins, he gave the greatest step that any man can give, give his life to Christ. Welcome Daniel to the family of God.

### **Bible studies in Manizales**

In the month of November I have been mainly focused on presenting a series of lectures on Romans 14 (on Wednesdays), and the Deity of our Lord Jesus Christ, (Sunday).

The reason for this has been motivated by the positions that some brothers in regard to the matters of opinion, wanting to somehow impose on the rest of their beliefs in this regard, therefore the reason for this series on Romans 14.

The interest of the forces of evil by denying the divinity of our Lord Jesus Christ, has been reason enough to reinforce in the minds of my brothers, the faith in this great truth of the Scriptures. Our recognition and total faith in the deity of Jesus of Nazareth (John 8:24).

Both studies, Romans 14 and the deity of Jesus, are being edited in the video, which is being made available in the different spaces that I have on the web.

### 10 New Studies in Video

As you well know, with the collaboration of Brother Oscar Andres Arias, we have been working in the video edition of a variety of studies, which are being made available to my brothers around the world.

The response received from different parties, Christians and non Christians, members of the church of Christ, and of other denominations has been very rewarding, and even more so, the request to move forward and in particular of specific topics that have been requested. We will do so, according to the goodness of God allows us to do so.

Then this is the list of the 10 new studies on video that we've uploaded to the web in the last month:
