### School Music - January 2016

Is approaching the date for the camp of hymns from 19 to 23 January 2016. To all those who have enrolled, many thanks. We hope to be able to enjoy a good time together, and in particular learning of musical reading and handling of the 4 voices. In my next report I will share with all of you the results of this camp.

### Camp of Preachers - 2016

Many days have passed since this idea has been around my mind and then share it with several of my brothers, I decided to get to work on this project of "Camp of Preachers with their wives". The purpose of this camp is to be able to meet during 4 days in which with an agenda organized to carry out the following:

- Better preparation in the presentation of the biblical studies.
- Use of the audio-visual media in the teaching of the word of God.

- Academic studies and oratory
- Study of difficult passages of the Bible.
- Use of methods in the Evangelization
- Studies among the wives of the preachers
- Etc.

These are just some of the ideas that I have in mind, at the same I invite my brothers to make suggestions to take into account for this project.

Who can attend? All preachers who are interested (along with their wives), if you are single, you can also attend.

Do you only preachers of Colombia? NO!" All preachers inside and outside Colombia can attend.

How to finance? This event does not form part of the work any local church, but that is a project clearly of an individual (Jaime Restrepo M.). The financing of this will be with the payment of registration of each one of the assistants to the camp of preachers, which will cover the costs of accommodation and food in the Resort Villa Beatriz in the city of Manizales (Colombia). This is the same place where we are going to make the camp of hymns.

Date of the camp? It has not yet been defined, but it would be for mid mid-year. If you are interested, I invite you to start saving. After the end of the camp of hymns, I will be reporting with respect to the value per person for the camp of preachers.

Any concerns or questions, you can write me to my email: [jaremova@gmail.com](mailto:jaremova@gmail.com)

I am sure that this event will be of great help to many of us. Come and begins to make their plans to attend. Are all invited, preachers nationals and foreigners.

### **HAPPY NEW YEAR**

Thank you for allowing me to share with you during this year (2015) my work in the Lord. Thank you for your prayers and support. Your brother and servant, Jaime Restrepo M.
